REMARKS

Amendments to the Drawings

The Notice sent from the United States Patent and Trademark Office indicated that the Draftsperson objected to the Drawings on the grounds that the margins were not within regulations and because the lines, numbers and letters in all 137 drawings were of poor quality. In response, Applicants herewith submit “formal” drawings prepared by a professional draftsperson to remedy these objections.

CONCLUSION

With the submission of these new drawings and with the expected grant of the accompanying petition, Applicants believe that this application is in condition for issuance. If there are any questions regarding these amendments and remarks, the Examiner is encouraged to contact the undersigned at the telephone number provided below.

Respectfully submitted,
